

MEYLANI EKA PERTIWI

FRONTEND DEVELOPER

📍 Sleman, DI Yogyakarta | ✉ meylaniekap1105@gmail.com | 🌐 meylanieka.vercel.app

I am a passionate and enthusiastic front-end developer dedicated to creating interactive and user-friendly web experiences. With a keen eye for design and a focus on clean, efficient code, I thrive on turning ideas into visually appealing and functional websites. Always eager to learn and grow, I enjoy tackling challenges that push my skills to the next level.

Projects

Indoventure-Copywriting & Google Analytics

March 2024 - June 2024

- Collaborated with a team to promote tourist destinations and services in Sulawesi Tenggara (SULTRA).
- Developed the project using React.js and Bootstrap for a dynamic and responsive user experience.
- Implemented Google Analytics, boosting user engagement insights by 80%
- Contributed to content creation and strategic planning to increase visibility and awareness.

Website Portofolio

September 2024

- Developed and designed a personal portfolio website independently using Next.js, Tailwind CSS, and JavaScript.
- Focused on creating a clean, responsive, and visually appealing layout.
- Integrated interactive features to showcase projects and skills effectively.
- Ensured smooth performance and optimization across various devices.

Online Course-Study Independent Kampus Merdeka

August 2023 - December 2023

- Collaborated in a team to develop a web application with over 80% responsiveness.
- Implemented front-end features using Node.js, Bootstrap, and JavaScript.
- Integrated API consumption for data interaction.
- Used Git for efficient team collaboration and code management.
